Meeting called to order at 7:00 pm by the Chair.

1.0 MINUTES:

- The minutes of the February 26 meeting were approved as read

2.0 BUSINESS ARISING FROM MINUTES

- Garfield and Braid still on traffic minutes. Nelson Geddes reported on this. It was brought out that the purpose of traffic calming was to reduce and decrease traffic. The opposite was true at this site. The light that was put in there only lets 5 cars through before starting again. Discussion ensued regarding the light at Caribou and 10th. Some pros and cons regarding backups on 10th Ave.

3.0 TREASURERS REPORT: Judy Gowen (report emailed to President)

- The Treasurer reported we have \$1,020.81 includes new and renewal memberships as well as garage sale. Outstanding amounts \$26.78 owing for advertisement for garage sale. There may be another bill coming for an ad.

4.0 REPORTS:

Traffic – Bob Gowen (report emailed to President)

- Nelson Geddes was welcomed as a guest attending the March meeting
- New traffic signal at 10th and Caribou is fully functional, not pedestrian operated
- Traffic count being done on Cumberland, left turn lights considered for 10th and Cumberland
- Engineering was thanked for help with Massey/Victory Heights problems specifically parking signage on Courtney Crescent and stop signs removed from the heritage lamp standards.

- Bob brought up the issue of garbage truck traffic on Patullo Bridge if Cache Creek was closed.

Garage Sale

- 25 residents participating in garage sale.
- Been on reader board and website
- Dereck Thornhill has put up the big signs. Bill will pick up the directional signs and put up on Saturday morning.

5.0 NEW BUSINESS:
